To Whom This May Concern,

My name is Sara Clewemar and I'm proud to offer my strongest recommendation of Gen Matsui.

I had the privilege to work with Mr Matsui only for a few months, but during this time he showed impressive skills in graphic design and final art. He has also been a highly appreciated and fun colleague, and a very polite, hardworking, detail oriented, structured, mindful and reliable designer and member of the team. He fulfilled all his given tasks with great results and on time. The tasks mainly consisted of designing labels and gift boxes.

Due to unforeseen circumstances and financial implications of Covid 19, we are now very regretted to inform that we need to lay off the newest employees, including Gen. This has nothing to do with his performance or skills, we would very much like to keep him on the team if we could.

I'm certain Gen Matui will be a great asset to your team with his talent, his skills and personality.

Please do not hesitate to contact me if you should require any further information.

Best,

Sara Clewemar
